Company Overview

PROFILE
MathWorks is the leading developer of mathematical computing software. Engineers and scientists worldwide rely on its products to accelerate the pace of discovery, innovation, and development.

PRODUCTS
MATLAB®, the language of engineers and scientists, is a programming environment for algorithm development, data analysis, visualization, and numeric computation. Simulink® is a block diagram environment for simulation and Model-Based Design of multidomain and embedded engineering systems. The company produces over 100 additional products for specialized tasks such as data analysis and image processing.

MARKETS SERVED
MATLAB and Simulink are used throughout the automotive, aerospace, communications, electronics, and industrial automation industries as fundamental tools for research and development. They are also used for modeling and simulation in increasingly technical fields, such as financial services and computational biology.

MATLAB and Simulink enable the design and development of a wide range of advanced products, including automotive systems, aerospace flight control and avionics, telecommunications and other electronics equipment, industrial machinery, and medical devices.

More than 6500 colleges and universities around the world use MATLAB and Simulink for teaching and research in a broad range of technical disciplines.

STAFF
MathWorks employs over 5000 people in 33 offices around the world.

HEADQUARTERS
MathWorks
1 Apple Hill Drive
Natick, Massachusetts 01760 USA
+1.508.647.7000

MISSION STATEMENT
TECHNOLOGY
Our goal is to change the world by accelerating the pace of discovery, innovation, development, and learning in engineering and science.

We work to provide the ultimate computing environment for technical computation, visualization, design, simulation, and implementation. We use this environment to provide innovative solutions in a wide range of application areas.

BUSINESS
We strive to be the leading developer and supplier of technical computing software. Our business activities are characterized by quality, innovation, and timeliness; competitive awareness; ethical business practices; and outstanding service to our customers.

HUMAN
We cultivate an enjoyable, vibrant, participatory, and rational work environment that nurtures individual growth, empowerment, and responsibility; appreciates diversity; encourages initiative and creativity; values teamwork; shares success; and rewards excellence.

SOCIAL
We actively support our local and professional communities through initiatives that advance STEM education, foster staff volunteerism, build environmental sustainability, and aid global relief efforts.
WORLDWIDE OFFICES
Australia – Chatswood
China – Beijing and Shanghai
Finland – Espoo
France – Meudon and Montbonnot
Germany – Aachen, Ismaning, Paderborn, and Stuttgart
India – Bangalore, Hyderabad, New Delhi, and Pune
Ireland – Galway
Italy – Torino
Japan – Nagoya, Osaka, and Tokyo
Korea – Seoul
Netherlands – Eindhoven
Spain – Madrid
Sweden – Gothenburg and Kista
Switzerland – Bern
United Kingdom – Cambridge, England, and Glasgow, Scotland
United States – Santa Clara and Torrance, California; Chevy Chase, Maryland; Natick, Massachusetts; Novi, Michigan; and Plano, Texas

REVENUE
• $1 billion in 2019
• Profitable every year since its founding

FAST FACTS
• Founded in 1984
• Privately held
• Software installations at over 100,000 business, government, and university sites
• Customers in over 185 countries
• There are more than:
  » 4 million users of MATLAB worldwide
  » 3 million files downloaded from File Exchange on MATLAB Central each year
  » 625,000 contributors worldwide to MATLAB Central apps
  » 500 third-party solutions that build on MATLAB and Simulink
  » 2100 MATLAB and Simulink based books in 26 languages
